building and contents insurance

Please complete the following if you require a competitive quote.

Where insurance is arranged through us you will normally pay the insurance premium direct to the insurer.

It is a condition of salt mortgages that adequate buildings insurance is maintained at all times.

We can arrange Buildings only, Contents only or combined Buildings and Contents cover. The premiums are based around the value of your possessions, so you don't have to pay for lots of extras.

These policies are underwritten by Legal and General. The sum insured for the Buildings insurance is based on the rebuilding cost specified in the Valuation Report and adjusted annually in line with the House Rebuilding Cost Index. However, you should always satisfy yourself the sum insured is sufficient to rebuild your home.

Please tick the relevant box:

- I/We would like a quote for a combined Buildings and Contents Policy
- I/We would like a quote for a Buildings only Policy
- I/We would like a quote for a Contents only Policy
- I/We would prefer to make my/our own insurance arrangements
(Where this is the case, our interest must be advised to the insurers and noted on the policy)

Note: If the property is leasehold and the lease requires cover through an insurance company specified by the landlord, then the cover must be effected in the accordance with the lease.

mortgage payment protection insurance

We strongly recommend that you carefully consider your arrangements to protect your mortgage payments, in the event that you are unable to work because of Accident, Sickness and Unemployment.

The Government has reduced the amount of payment made in relation to Income Support for Mortgage Interest. Borrowers taking out a new mortgage who qualify for Income Support will not receive any benefit for Mortgage Interest for the first 9 months.

Please tick the relevant box:

- I/We would like a quote for a combined Accident, Sickness and Unemployment cover.
- I/We would like a quote for Accident and Sickness cover only.
- I/We would like a quote for Unemployment cover.
- I/We am/are arranging accident, sickness and unemployment cover with and do not wish to review this with salt.
- I/We do not require accident, sickness and unemployment cover and understand that my/our mortgage payments will not be protected.

This Mortgage Payment Protection Insurance is underwritten by Legal and General.

valuation

We use valuations to help us decide how much to lend and on what terms. We'll give you a copy of the Valuation Report. It really is for our own use only so if you're buying your property you shouldn't rely on this to confirm you're paying a fair price for it. Our valuers don't carry out a survey of the building. The valuer will tell us about any faults they do spot, that are relevant to us, but don't assume that these are the only ones. Also the amount of any retention we recommend may not be the same as the cost of the work.

You should make sure you're happy with the value, construction and condition of the property before you sign the contract to buy it. You shouldn't rely on the valuation to do this. If you want a more detailed examination, then we recommend that you get your own surveyor who will be able to give you advice on what you need.

We're not agents of the valuer or the valuers firm. There is no agreement between you and the valuer or the valuer's firm about the valuation report.

additional information section

Please use this section to provide the additional information requested in any of the sections as well as any other information that will help in assessing your mortgage. Please indicate section and question number where applicable.

How we use your personal information:

The information which you provide or which we, **salt** obtain through our dealings with you or in connection with your account, will be held by us even if your application does not proceed to completion. That information may also be held and used for the same purposes by any third party to whom we may transfer the benefit of our interests in any mortgage loan made.

Information uses

We will use this information to help us provide you with the services you are applying for, to update or enhance our customer records, and for account administration.

- We will make such enquiries, as we consider necessary for the purposes of confirming the accuracy of the information provided by you.
- We will make searches about you at credit reference agencies who will supply us with credit information, as well as information from the Electoral Register.

The agencies will record details of the search whether or not this application proceeds. Information held about you by the credit reference agencies may already be linked to records relating to one or more of your partners. For the purposes of this application you may be treated as financially linked and your application will be assessed with reference to any "associated" records. An association will be made at the credit reference agencies between any joint applicants to this application, which will link your financial records. You and anyone else you have a financial link with understand that each other's information will be taken into account in all future applications by either or both of you. This linking will continue until one of you successfully files a "disassociation" at the credit reference agencies.

• Where you borrow or may borrow from us, we may give details of your account and how you manage it to credit reference agencies. If you borrow and do not repay in full and on time, we may tell credit reference agencies who will record the outstanding debt. 2. So, for example, following securitisation we would normally continue to collect payments and should you experience any difficulties in making payments, or have any other queries, you should contact us.
